एक परिचय

कॉलेज की स्थापना: प्रख्यात समाजसेवी रमाशंकर जायसवाल जी द्वारा अपने सुपुत्र स्व. धीरेन्द्र जी के स्मृति में धीरेन्द्र महिला महाविद्यालय के निर्माण हेतु दिनांक 11 दिसम्बर 2002 को नींव रखी गयी और सन् 2003 में सत्रारम्भ कर यहाँ अध्ययन-अध्यापन कार्य विधिवत् प्रारम्भ किया गया। कॉलेज के साथ यह एक उल्लेखनीय उपलब्धि रही कि जुलाई 2009 में यू.जी.सी. द्वारा 2(एफ) की मान्यता प्राप्त कर यहाँ पी. जी. की कक्षाएँ प्रारम्भ हुई तथा यह महाविद्यालय वर्तमान में 'धीरेन्द्र महिला पी. जी. कॉलेज' के रूप में वाराणसी में सर्वमान्य रूप से पहचान प्राप्त कर चुका है। इस कॉलेज की उपादेयता का यह प्रमाण है कि इतनी अल्प अवधि में आज इस परिसर में बी.ए., बी.ए. (ऑनर्स) मास कम्युनिकेशन, बी.कॉम., बी.एससी., बी.बी.ए., बी.सी.ए., बी.एफ.ए., बी. म्यूज., बी. एड., बी. पीएड., एम.ए., एम. कॉम. एवं एम.एफ.ए. आदि विभिन्न पाठ्यक्रमों में लगभग 5200 छात्राएँ अध्ययनरत हैं।

शिक्षित नारी- समृद्ध समाज: के उद्घोष को चरितार्थ करते हुए कहा गया है कि शिक्षित नारी ही सम्पूर्ण परिवार को शिक्षित कर सकती हैं, क्योंकि जब एक बालक शिक्षित होता है तो उससे एक व्यक्ति शिक्षित होता है, परन्तु जब एक बालिका शिक्षित होती है तो उससे एक परिवार शिक्षित होता है और शिक्षित परिवार से ही समाज शिक्षित होता है तथा शिक्षित समाज से राष्ट्र का विकास हो सकता है। भारत-भारती तथा भारतीयता की गौरवमयी सभ्यता-संस्कृति एवं संस्कार से ओत-प्रोत नारी को शैक्षणिक, मानसिक, नैतिक, आध्यात्मिक एवं तकनीकी दृष्टि से स्वावलम्बी बनाना एवं सम्पूर्ण नारीत्व को उत्कर्ष तक पहुँचाना ही इस कॉलेज का मूलभूत उद्देश्य है।

भारतीय सभ्यता - आधुनिक शिक्षा: भारत शिक्षा के क्षेत्र में विश्वगुरु है। भारतीय शिक्षा की अपनी एक अलग परम्परा एवं सभ्यता रही है, जिसका सम्पूर्ण विश्व ने अनुकरण किया है। धीरेन्द्र महिला पी. जी. कॉलेज आधुनिक शिक्षा-पद्धति के साथ-साथ भारतीय सभ्यता पर आधारित शिक्षा पद्धति का प्रयोग करते हुए उत्तम शिक्षण पद्धति के अनुसार शिक्षण एवं प्रशिक्षण देता है। ऐसे में कला-संस्कृति-सभ्यता एवं आध्यात्मिक नगरी काशी में, शहर के कोलाहल एवं प्रदूषित वातावरण से दूर, काशी हिन्दू विश्वविद्यालय से मात्र डेढ़ कि.मी. की दूरी पर करमाजीतपुर-सुन्दरपुर में स्थित कॉलेज का परिसर अत्यन्त शान्त, रमणीक, हरियाली से युक्त अध्ययन-अध्यापन के अनुकूल वातावरण से परिपूर्ण है।

भारतीय सभ्यता और आधुनिक शिक्षा हेतु संकल्पित उद्देश्य को ध्यान में रखकर धीरेन्द्र महिला पी. जी. कॉलेज में यू.जी.सी. मानक के अनुरूप नेट और पीएच.डी. योग्यताधारी सुयोग्य एवं प्रशिक्षित प्रवक्ताओं द्वारा परम्परागत एवं पुस्तकीय शिक्षा के अतिरिक्त छात्राओं के सर्वांगीण व्यक्तित्व विकास के लिये शारीरिक, मानसिक, तकनीकी, सांस्कृतिक एवं आध्यात्मिक चेतना को निखारने हेतु सह-शैक्षिक कार्यक्रम समय-समय पर चलाया जाता है। आधुनिकीकरण एवं समय की माँग को देखते हुए कॉलेज में स्पोकेन इंग्लिश, कम्प्यूटर शिक्षा (वाई-फाई इण्टरनेट से सुसज्जित) के साथ-साथ राष्ट्रीय सेवा योजना (NSS), संगीत, योगा एवं खेलकूद की भी सुविधा उपलब्ध है।

विशिष्टता

धीरेन्द्र महिला पी. जी. कॉलेज के आकर्षण का सबसे बड़ा कारण यह है कि अपने संस्थापक की भावना के अनुसार इसके प्रबंधन और शिक्षण-व्यवस्था से सम्बद्ध सभी लोग आधुनिकतम ज्ञान-विज्ञान और तकनीकी में पूर्ण दक्षता के साथ-साथ भारतीय संस्कृति की मर्यादाओं एवं आदर्शों की दीक्षा क अनिवार्य मानते हैं। इसीलिए इस परिसर में अध्ययनरत छात्राएँ अपनी मेधा, प्रतिभा और उत्कृष्ट शैक्षणिक उपलब्धियों के लिए ही नहीं, बल्कि अपने आचार-विचार और संस्कार के लिए भी जानी जाती हैं। हमारा परीक्षाफल उत्कृष्टतम हो, इसके लिए हम जितना कठिन परिश्रम करते हैं, उतना है हमारा ध्यान इस बात पर भी रहता है कि कला-कौशल, शिष्टाचार और शील की महत्त्व सम्पदा से समन्वित हमारी छात्राएँ समाज में अपनी विशिष्ट पहचान बनाएँ। हमारी वृद्ध मान्यता है कि सही अर्थों में शिक्षित कन्या परिवार, समाज और राष्ट्र की शिक्षा की आधारशिला होती है। राष्ट्र के भावी विकास में एक उल्लेखनीय भूमिका के निर्वाह के लिए स्त्री-शिक्षा के महत्त्व को आत्मसात् करते हुए इस कॉलेज की स्थापना की गई और उसी लक्ष्य को ध्यान में रखते हुए यह विकास के पथ पर अग्रसर है। महाविद्यालय का लक्ष्य है छात्राओं को शिक्षित करना व समाज को समृद्ध बनाना ही उद्देश्य है।

- आधुनिक शिक्षा व भारतीय संस्कृति के चिन्तन पर आधारित शिक्षा प्रदान करना।
- उच्च शिक्षा के माध्यम से आत्म-विश्वास एवं आत्म निर्भरता का संचार करना।
- शिक्षा द्वारा सामाजिक, आर्थिक अधिकारों तथा कर्तव्यों के प्रति समाज को सचेत करना।
- छात्राओं के समग्र व्यक्तित्व का विकास एवं संवर्धन।
- वैज्ञानिक दृष्टिकोण का विकास एवं इसके माध्यम से सामाजिक समस्याओं, कुरीतियों तथा अंधविश्वास का उन्मूलन।
- छात्राओं में रोजगार के प्रति जागरूकता तथा स्वरोजगार के प्रति चेतना जागृत कर वैश्वीकरण की चुनौतियों का सामना करने के लिए तैयार करना।

उत्तम शिक्षा व्यवस्था

एड्वाइजरी बोर्ड : कॉलेज के एड्वाइजरी बोर्ड में देश के जाने-माने शिक्षाविद् सदस्य के रूप में होते हैं, जिनके मार्ग-दर्शन में शिक्षण एवं प्रशिक्षण का कार्य होता है। इन शिक्षाविदों के द्वारा कॉलेज में अध्यापनरत् प्रवक्ता को उच्च शिक्षा के मूल्यों से अवगत कराया जाता है। आधुनिक शिक्षा के विभिन्न सन्दर्भों की जानकारी के साथ ही उनके विषय से सम्बन्धित नये खोज एवं विकास से अवगत कराते हुए उनका मार्ग-निर्देशन किया जाता है।

अभिभावकों की सहभागिता : छात्राओं के विकास के लिए प्रत्येक माह छात्राओं के अध्ययन की प्रतिपुष्टि (Feed Back) के लिए टेस्ट एवं समय-समय पर अभिभावकों को छात्राओं की प्रगति से अवगत कराया जाता है।

प्री-एक्जामिनेशन टेस्ट: छात्राओं की वार्षिक परीक्षा की तैयारी का स्तर ज्ञात करने हेतु वार्षिक परीक्षा के पूर्व Pre-Exam Test लिये आते हैं तथा कमियों ज्ञात कर उन्हें दूर करने का प्रयास किया जाता है।

रिविजन क्लास: वार्षिक परीक्षा के पूर्व फरवरी माह में पुनः कोर्स रिविजन क्लास की व्यवस्था की जाती है।

सेमिनार: कॉलेज परिसर में प्रत्येक शनिवार को सेमिनार का आयोजन किया जाता है, जिसमें देश-विदेश के विश्वविद्यालयों एवं प्रतिष्ठित शिक्षण संस्थाओं के सम्मानित शिक्षाविद्, विषय-विशेषज्ञ, संकायाध्यक्ष, विभागाध्यक्ष, प्रोफेसर एवं रीडर द्वारा विशेष रूप से शैक्षणिक निर्देश व छात्राओं के स्वर्णिम भविष्य हेतु उचित मार्गदर्शन के साथ ही नये-नये विषयों की जानकारी से अवगत कराया जाता है।

About The College

Dhirendra Mahila P.G. College, affiliated with Mahatma Gandhi Kashi Vidyapith, Varanasi. It is led by doyens of exceptional vision, who have always remained committed to developing a generation of thought leaders. Here, we strive to nurture strong, independent women through a holistic education blending academic rigor with practical skills. Located 7.5 km from Varanasi Cantt Station. The college has fostered intellectual, cultural, and personal growth within a one-acre campus equipped with modern facilities. Emphasizing India's rich cultural heritage alongside contemporary needs, DMPGC offers a vibrant environment with dedicated faculty, diverse extracurricular activities, and opportunities for leadership development. The college empowers students to become skilled professionals and nurtures them into the kind of individuals that the world needs both today and tomorrow.

Dhirendra Mahila P.G. College, was established on 2006 with a Vision to spread the light of education among girls and empower them to face the challenges of the world.

The College is committed to providing quality education and to equipping students with knowledge, skills, and values to become competent and responsible citizens.

Education Meets Opportunity

To build a strong nation and a prosperous society, we have channelized our efforts in education in Banaras (Varanasi), known as the Capital of Knowledge, Sarvavidya ki Rajdhani.

DMPGC offers a wide range of **undergraduate and postgraduate programs** in **Science, Humanities, Commerce, Management, Computer Science, Media, and many More**. Our focus is not just on academics but also on building **confidence, leadership skills, and professional expertise** through extracurricular activities, industry interactions, and skill development programs for a meaningful existence in the 21st century. We foster an environment where students **engage in debates, cultural events, sports, and innovation-driven projects**, ensuring they graduate as well-rounded individuals, ready to make a difference. Our commitment to **women's empowerment** ensures that every student is equipped to thrive in a rapidly changing world.

A Campus That Inspires Growth

Set in a **vibrant and eco-friendly** campus, DMPGC offers **state-of-the-art classrooms, well-equipped laboratories, a rich library, seminar halls, and recreational spaces**. Our dedicated faculty members guide students with **innovative teaching methods**, fostering both intellectual and personal growth. We encourage participation in **sports, cultural events, debates, and community initiatives**, ensuring a well-rounded education. With **various skill development programs, computer training courses, and placement support**, we shape future leaders who are ready for global opportunities.

Your Future Begins Here

At DMPGC, we believe **every woman deserves a strong foundation** to chase her dreams. We go beyond textbooks to provide **real-world exposure, career guidance, and placement opportunities**. Our campus is a **safe, eco-friendly, and inspiring** space where students are encouraged to dream big and achieve more. Whether you aspire to excel in **business, education, law, technology, or research**, our dynamic academic programs and career-oriented training will help you succeed. With a campus committed to **sustainability, innovation, and inclusivity**, if you are looking for a **college that values education, empowerment, and excellence**, DMPGC is the place for you. **Join us and be a part of a movement that transforms education into empowerment!**

We invite you to be part of a **progressive learning journey**. Join us and become a **trailblazer of tomorrow!**

‘शिक्षित महिला समृद्ध समाज’

VISION

The Vision of the college is to provide:

DMPGC envisions a world where women's empowerment can be achieved by providing an excellent academic environment for young women through a modern education system that fosters entrepreneurial and decision-making skills, helping students enhance their personalities to meet global challenges.

MISSION

The mission of the college is to provide:

- A stimulating and active learning environment.
- Early mentoring for leadership.
- A culturally sensitive, inclusive environment.
- Industry-institute interface.
- Dedicated and responsive faculty to assist each student in fulfilling aspirations and reaching milestones.

‘शिक्षित महिला समृद्ध समाज’

OBJECTIVES:

- Building self-confidence and self-reliance among students through higher education, along with various extracurricular activities.
- Creating awareness of social, cultural, and economic rights and duties through seminars, workshops, and conferences organized by the college.
- Developing a scientific outlook to resolve social issues and enabling them to face the global challenges.
- Advancing frontiers of knowledge.
- Enhancing alumni engagement.
- Developing a cleaner and greener campus.

Mrs. Anju Jaiswal (Chairperson)

MESSAGE FROM THE CHAIRPERSON'S DESK

Women should be given equal opportunities in education, and they should not be excluded from any developmental activities. If women are educated and given an adequate place in society, the future of a nation will be bright, and there will be rapid growth in socio-economic conditions in India. Because women represent almost half of the human race and have played a vital role in families and society. Through women's education, we can establish be able to set up an egalitarian society in the country.

The DMPGC, through its academic departments and a myriad of extracurricular activities, is fully devoted to enhancing the competence of women and to sustaining their skills and knowledge in the global market.

The College also conducts various computer training courses as a part of its social responsibility in alignment with the "National Skill Development Mission" led by the Hon'ble Prime Minister of India, Shri Narendra Modi. The College evaluates students' progress, and meritorious students are awarded a cash prize and certificates for securing 1, 2nd, and 3rd positions. Cash prizes and certificates are also awarded to the best library users and the students who maintain 100% attendance during their academic year.

Mr. Ravindra Jaiswal (Trustee)

MESSAGE FROM THE TRUSTEE'S DESK

Welcome to Dhirendra Mahila P.G. College, where excellence is a tradition. The college, with its excellent infrastructure and extremely dedicated team of teachers and supportive staff, endeavors to provide a positive atmosphere for women and prepare them with a scientific outlook and creative expression to meet the challenges of the times. We believe that education is a milestone for women's empowerment, and has been acknowledged as an essential agent of social change and development in a country. Our aim is not only to achieve academic excellence but also to inspire women to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. We realize the importance of moral values and cultural awareness, along with modern education, for women who make society an ideal place to live. The corridor of DMPGC provides the best environment in the modern education system along with cultural growth. We seek to prepare our students to be pioneers and be creative individuals who help them to give a new shape to their aspirations and cherished dreams. We ensure that when they leave the campus, they will be individually ready to meet the challenges in their respective fields.

Dr. Nalini Mishra (Principal)

MESSAGE FROM THE PRINCIPAL'S DESK

The college provides an opportunity for a positive atmosphere of holistic education with a scientific and cultural approach. Since the commencement of the institution in 2002, this prestigious institute has made several extensive changes in the arena of seeking and disseminating knowledge.

The college offers a variety of academic and vocational courses in different streams like Science, Humanities, Commerce, Computer Science, and Media at the Undergraduate and postgraduate levels. Through its excellent infrastructure and experienced, highly dedicated teachers, the college provides the best education to its students and helps them realize their dreams.

There have also been remarkable improvements in the areas of discipline, sports, performing arts, and academics. Several students are pioneers and high performers in the areas of business finance, law, and education. Despite its achievements, we continue striving for excellence; we will not rest; and we will continue to achieve new heights, as women across the global village must be empowered to get an education with progressive thought.

- ▶ Internship in reputed Organisation
- ▶ Counseling System: Personal/Professional Guidance Room
- ▶ Well Equipped Laboratories
- ▶ Enriched Resource Centers
- ▶ Certified Value - added & Self Study Courses
- ▶ Mous with esteemed Institutions
- ▶ Exchange program for professional development
- ▶ Local Chapter at SWAYAM
- ▶ Provision for Anti-Ragging committee, and Student Grievances Cell
- ▶ Campus Placement assistance in reputed organizations

WHY CHOOSE US

- ▶ Teaching Methodology:
 - Lecture cum Discussions
 - Explanations and Narrations
 - Seminars/Workshops
 - Role Plays
 - Collaborative & Cooperative Methods
 - ICT-Enabled teaching-learning
 - Team Teaching
 - Demonstrations
- ▶ Rewards to the meritorious students through scholarships and prizes.
- ▶ Provision for Anti-Ragging Committee, and Student Grievances Cell
- ▶ Campus Placement assistance in reputed organisation

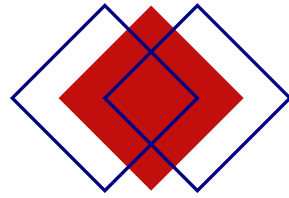

INFRASTRUCTURE

At Dhirendra Mahila P.G. College, we believe that a strong educational foundation begins with a robust and student-centric infrastructure. Our campus is designed to foster holistic development, offering students a safe, supportive, and technologically advanced environment to pursue their academic and personal growth.

The college boasts a modern, multi-storeyed building equipped with well-ventilated, spacious classrooms that are designed to enhance the learning experience. Classrooms are furnished with smart boards, podiums, projectors, and the latest audio-visual aids to facilitate interactive and effective teaching.

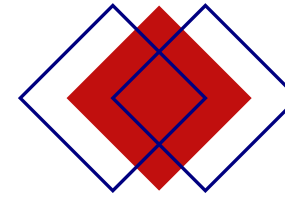

INFRASTRUCTURE

A well-stocked library is the heart of our academic infrastructure, offering a wide collection of books, journals, and digital resources to meet the research and learning needs of our students across various disciplines. High-speed Wi-Fi is available throughout the campus, ensuring seamless connectivity for academic and research activities.

We understand the importance of practical learning, and our state-of-the-art laboratories provide hands-on experience in subjects such as science, computer applications, and home science. Each lab is equipped with modern tools and technology, allowing students to experiment, explore, and innovate.

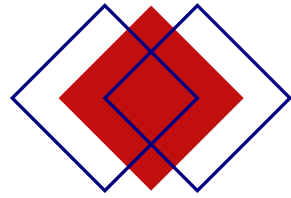

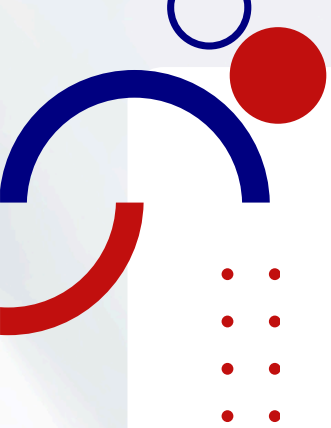

INFRASTRUCTURE

The college also features a dedicated conference hall for seminars, workshops, and guest lectures, creating a vibrant platform for intellectual exchange. Ample outdoor space and facilities for extracurricular activities ensure students enjoy a well-rounded college experience.

Our secure and student-friendly campus includes a large assembly area, well-maintained pathways, and dedicated bike/scooter parking for convenience. Accessibility and cleanliness are top priorities, and maintaining a professional and inviting atmosphere.

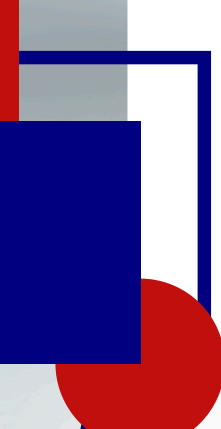

INFRASTRUCTURE

With a focus on academic excellence and personal development, the infrastructure at Dhirendra Mahila P.G. College reflects our commitment to nurturing future-ready women leaders.

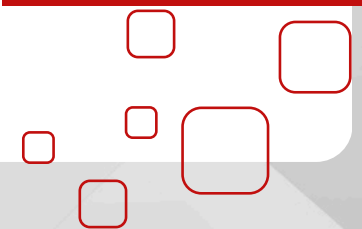

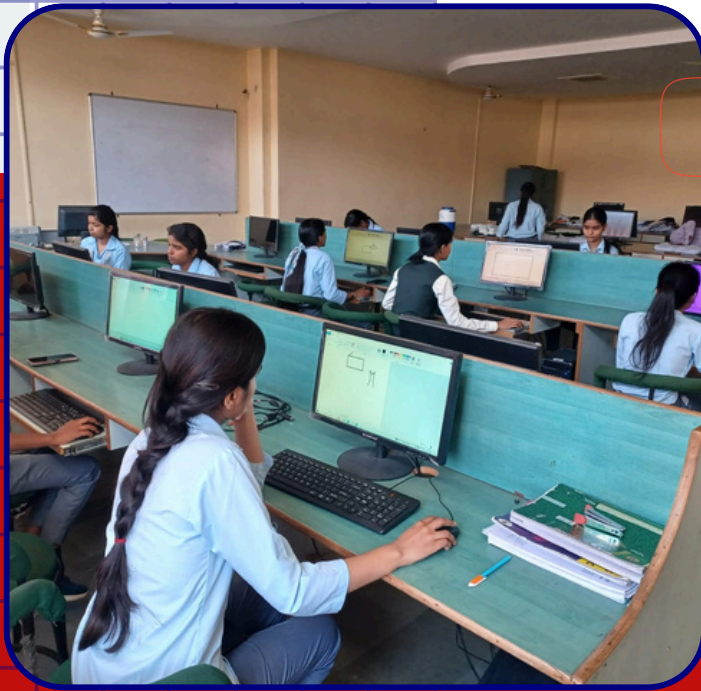

SMART LIBRARY

Established in 2003, Dhirendra Mahila P.G. College is proud to house a state-of-the-art library that stands as a beacon of academic excellence and innovation. Spanning a well-designed area, our library caters to the intellectual needs of students, faculty, and staff with dedication and care.

With a treasure trove of over 19,900+ books, 22 magazines, 16 scholarly print journals, and 11 newspapers, our collection supports every stream – from Arts to Commerce, Science to Management. We also offer seamless access to global knowledge through N-LIST and DELNET subscriptions, delivering thousands of e-books and e-journals right at your fingertips.

Our semi-automated system, powered by 'AcademicMitra' (ERP software), ensures smooth operations and online access to the library catalogue. Plus, with OPAC available through the college app, students can browse and reserve books anytime, anywhere.

COMPUTER LAB

The Department of Computer Science has its own separate lab equipped with the latest technology and software. The center has a cluster of software based on Linux, windows and 2000 servers configured with crew, C, C++, Visual Basic, Java, and Oracle 9i/ 10g developers. There are more than 60 computers, connected through high-speed switches on Local Area Network and Wide Area Network LAN & WAN. The Internet is available with a speed of 4 MBPS, having a ratio of 1:1.

SCIENCE LAB

Dhirendra Mahila P.G. College, Varanasi, proudly offers quality education in Physics, Chemistry, Mathematics, Botany, and Zoology, empowering young women since 2017. The **Department of Physics**, under the guidance of Hon'ble Shri Ravindra Jaiswal, fosters scientific curiosity and innovation. **Mathematics** equips students with analytical skills through digital tools and modern methods. **Zoology** combines theory with experiential learning, fieldwork, and ICT tools to deepen understanding of life sciences deeply. The **Botany Department** promotes awareness of plant sciences and environmental sustainability through hands-on lab and field experiences. **Chemistry** serves as a gateway to scientific discovery, offering practical exposure in organic, inorganic, and applied chemistry. Each department emphasizes nurturing critical thinking, creativity, and research aptitude, preparing students for higher studies and professional success. With expert faculty, modern laboratories, and a student-centered approach, we invite aspiring minds to join us and shape a brighter, science-driven future.

TRANSPORTATION

The college has its own transportation facility with a fleet of buses that promptly bring students from different parts of the city to the college. Additionally to it, transportation services are extended to students for various academic and Industrial visits and as well as other related activities.

CANTEEN

LUNCH TIME

The College has a canteen on its premises that operates during working hours and offers food at a reasonable rate.

DRINKING WATER

The College Campus is equipped with water coolers connected to purifiers, ensuring that students have access to cool, purified drinking water.

PARKING FACILITY

The College has an adequate parking area in which two-wheelers of the students can be parked. The students must have a driving license and proper documents of their vehicle.

Dhirendra Mahila P.G. College

(Affiliated to M.G.K.V.P., Varanasi)

The students are given a wide choice of Hobby classes such as Dance, Music, Sports, Spoken English, Computer courses according to their interest and talent.

Classes of Mehandi, Soft Toys, Cooking, Candle Making, Skating & Scout etc., are also being organized for the interest of the students.

MUSIC & DANCE

The College provides immense space and facilities for music & dance activities, including various traditional folk songs and dances which are considered as the cultural heritage of India. The students enthusiastically participate in these hobby classes and bring laurels to the college at the national and international contests.

NSS CAMP

The National Service Scheme (NSS) was launched in 1969, the birth centenary year of the Father of Nation, by the Government of India. It is a voluntary association of young people, especially college students to work for campus–community linkages. The aim is to develop student's personality through community service.

The NSS unit of Dhirendra Mahila PG College provides a platform for students to engage in community work and develop a sense of involvement in nation–building tasks. NSS volunteers strive to assist those in need to improve their standard of living. Each year, a variety of activities are organized to channel the energy and idealism of the younger generation into creative endeavors. They educate students and the community on various issues such as health, sanitation, and palliation. Regular health camps and cleanliness drives are conducted in campus and in nearby slum areas to raise awareness and motivate people to work towards maintaining a clean environment.

SCOUT GUIDE CAMP

MONTHLY TEST & PRE- ANNUAL EXAMINATION

For the academic growth of our students and their assessment, we conduct monthly test, and in order to prepare for final examinations conducted by the University, we organize the pre-annual examinations for our students and report their performances to their parents.

Hindi Honor Ceremony

ATTENDANCE

The College adheres to the rules prescribed by MGKVP University and strictly observes the attendance performance of its students. In order to appear in the University Examination, the students must have to maintain minimum requisite percentage of attendance that is 75% of the total number of lectures delivered in all subjects.

The Biometrics attendance devices have been installed at the entrance of each classroom in the college to store the attendance records of the students in order to maintain the punctuality and regularity in their respective periods. In addition to it, the subject teachers also keep the attendance records manually to check the regularity of the students in their respective subjects. The College has the authority to strike off the name of a student if she is found irregular or absence for a long period. Parents/Guardians will get a message on their mobile phone from College authority regarding the monthly attendance of their wards, and they are advised to periodically meet the teachers of their wards to know their academic progress, and punctuality.

Students must submit a written application to the principal in case of leave in an adverse situation or when they are required to represent the College in some important programs, such as participation in sports, festivals, cultural activities, debates, and an industrial tour sponsored by the College. Exemption from attendance for health issues may be granted by the Principal only if the student submits an application supported by a medical and fitness certificate from a recognized medical consultant.

CONDUCT AND DISCIPLINE

The students must maintain the dignity and ethical principles of the college both inside and outside the campus. They will have to conduct themselves politely towards teaching and non-teaching staff and their class fellows in order to create positive and supportive atmosphere inside the campus. They must conform to all the rules prescribed in the prospectus below.

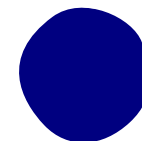

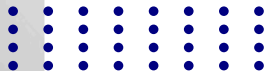

- ▶ Students are expected to come in a well-maintained uniform decided by the administration under the dress code norms of the college.
- ▶ Every student is expected to carry an Identity Card issued by the college. The identity card is mandatory in the campus.
- ▶ The students must maintain a minimum of 75% of their total attendance as per the university rule.
- ▶ The students must put their attendance in the Biometric device installed at the entrance of their classroom.
- ▶ Students will have to maintain the punctuality of the scheduled class and not be allowed to loiter here and there on the campus during their class.
- ▶ The students can access the library and read newspapers/magazines in the reading hall between their classes.
- ▶ It is compulsory for all the students to register their names in any one of the hobby classes and also expected to participate in cultural programs organized by the college.

- ▶ Use of mobile phones in the college is strictly prohibited.
- ▶ There is a suggestion box on the campus. If a student has any issues/suggestions regarding the institute, she can drop her complaint and suggestion in the box. The suggestion box will only be opened by the college administration.
- ▶ Disciplinary action will be taken against the students who are found to be enrolled in some other institution simultaneously.
- ▶ Ragging in any form, on or off the college campus, is a very serious offence. If a student is found to have indulged in this practice or if it is noticed later that she has indulged in ragging, then she may be expelled from the Institute.

Grievance Cell

The Grievance Cell has been developed to settle the grievances of the students and other stakeholders within a reasonable time period for further strengthening the bond of the students with the institution by providing them with all kind of facilities to a satisfaction level for maintaining a convenient ambience of academic teaching and learning.

OTHER FACILITIES

- ▶ **Personality Development:** In today's competitive environment, the level of unemployment is increasing even after various degrees. Therefore, keeping this problem in mind, personality development classes are conducted.
- ▶ **Computer Education:** At present, without computer education, it is not possible to get employment in government and non-government organizations. Therefore, computer education is compulsorily given to all the girl students studying in the college. In today's era, computers are being accepted as the language of the fourth generation; hence, O-Level and A-Level C++ classes, along with general knowledge of computers, are conducted in the college campus.
- ▶ **Spoken English Class:** Today, English has become a commonly spoken language. As it is believed that without English education, it is not possible to establish a top position in the family and society, hence Spoken-English classes are given compulsorily to all the girl students in the college campus.
- ▶ **Sports and Yoga:** A healthy mind resides in a healthy body. Therefore, for the better health of the girl students, arrangements have been made for training by trained coaches as well as yoga, outdoor and indoor games in the gym equipped with modern equipment in the college campus. Yoga training programs are conducted from time to time to keep the body healthy and fit. The college students have made their place in volleyball and athletics at the state and national level.
- ▶ **Music and Dance:** Music and dance are also considered essential for the all-round development of the girl students, for this, there is a provision for education in all three genres (branches) of music, singing, playing and dancing in the college, so that the girl students can become familiar with various folk arts. From time to time, personality development is given to the students proficient in music genre through cultural platforms.

COLLEGE CODE OF CONDUCT FOR GIRL STUDENTS:

► It will be mandatory for every student to follow the following rules-

- Under the 'Dress Code' in the college premises, it is expected that the student will be in the uniform prescribed by the college administration.
- The uniform code will not be applicable on Thursday.
- 75% attendance will be compulsory for every student, and in special circumstances, a relaxation of 15% can be given with the recommendation of the Principal and permission of the M.G.K.V.P.
- Regular attendance by students is expected during the study period and on special national dates.
- In graduate classes (Commerce and Arts), students will be evaluated through unit tests, and teachers are expected to provide guidelines related to evaluation to the students.
- It is mandatory to bring ID card to the campus.
- Every student will give respect and honour to her Principal, teachers, administrative staff, and senior students.
- It is inappropriate to come late to class. If you are late, you are expected to enter the class only after taking permission from the concerned teachers.
- It is inappropriate for a student to be out of class during teaching periods.
- It is expected that you may read magazines and newspapers in the reading room during your free time.
- Students are prohibited from talking on mobile phones on the college campus, and it is mandatory for the mobile phones to remain switched off in class.
- It is compulsory for the students to remain in the college from 10 AM to 2 PM. Students who do not have any classes after 3 PM can leave.
- It is compulsory for all the students to take part in some hobby class, and attendance in national and cultural programmes organised from time to time in the college is also expected.
- There is a suggestion box for the students in the college, in which the students can give their suggestions and complaints. This suggestion box will be opened only by the chairman.
- The college has its own rules for transport, library, gym, computer classes etc., which all the students studying in the college have to follow.
- It is compulsory for every student to participate in NSS.
- Disciplinary action will be taken if a student works or studies in any other institution after admission to the college.
